Format for SVEEP Assembly Election

1. **Title of the Practice**
   Systematic Voters Education and Electro Participation (SVEEP)
2. **Goal**
   To Motivate Indian voters to cast their valuable votes in the assembly election which will be held on 5th May 2005 in Karnataka.
3. **The Context**
   With regard to above District Level Committees have been formed by the Election Commission of Karnataka. CEO of the District is appointed as the Chairman of the Committee. Various department heads are included in the committee. The Bijapur district NSS nodal officer Prof H.M.Sajjade is one of the members of the committee and he is from our college so our college worked as a lead college to motivate voters through the NSS units in the Bijapur district.
4. **The Practice**
   Prof H.M.Sajjade as District NSS Nodal Officer and District Level SVEEP Committee member, he visited low voting villages throughout the district along with few NSS officer and NSS Volunteers and motivated the people for voting. Further as per the directions of the NSS Nodal Officer, most of the degree colleges have conducted SVEEP programs in their respective colleges and submitted report to the Nodal Officer. As a result total voters' percentage increased to 5%. The same report has been submitted to the District Administration also. NSS Nodal Officer has worked as Nodal Officer of SVEEP committee of Basavan Bagewadi Constituency. During this period display of street drams and other activities conducted effectively, as a result the registration of New voter's also increased.
5. **Evidence of Success**
   The report submitted to the District Administration, report received by the different colleges of SVEEP work, Basavan Bagewadi constituency visit photography's, Paper cuttings are herewith. As a result of SVEEP committee's Bijapur total percentage of voting increased by 5%.
6. **Problems Encountered and Resources Required**
   As SVEEP committee member during the visit to the villages and low voting areas, it is observed that most of the people are not interested in elections. They appeal that election come often and often but no representative is able to listen our problems and serve our purposes. After election elected person disappeared from the constituency and appear after 5 years only.
7. **Notes (Optional)**
   In our college also on behalf of District Level SVEEP committee, we conducted special lectures on importance of voting power and role of the youth in elections. Our college students along with NSS Officers conducted procession in Tikota Village to create awareness among the voters.

Which is the vision of GOI & National Skill Development Corporation (NSDC) with a slogan "Skilling 500 million people by 2022" which is a challenge.
